

# Ravensong Waterdancers Synchro Annual President's Report

---

October 1, 2017

Starting this new season of synchro has been extremely challenging again as Synchro BC was slow to disclose the conference details and waited to release the Technical Package, due to Synchro Canada revising their documents and rules, which causes a ripple effect.

The amount of work that is done to run the club and the limited number of people available to help is concerning. The club is usually run by competitive parents due to them being more experienced in the club; it would be fantastic if more parents lend their expertise and assistance with managing the club.

The current President has been on the executive for the past 4 years & the Treasurer for the past 3 years. It would be ideal if a new President was elected so that the existing President could fulfill a year in the Past President role to provide any guidance or assistance. This could also be done for the Treasurer position where two co-treasurers are elected.

There were a number of jobs that were accomplished by the President and Treasurer, with input from the Head Coach and executive members in order to start to the new season:

- Planning meeting – programming, schedules, budget, meets/conference, extra training
- Website reviewed and updated – specifically programs, practice & fee proposals
- Advertising for See it, Try it – great turn out with over 12 potential athletes attending, plus 5 pre-registered athletes in the Recreation programs
- Season calendar was updated – via Google Calendar, link on the website
- Budget reviewed and adjusted for presentation at the club's AGM
- Membership & Technical Package reviewed
- Hotel group bookings for 3 meets have been started, awaiting final registration numbers prior to confirmation to ensure adequate rooms available

Our registrations to date are as follows:

- Junior Recreation – 3 confirmed, 3 potential, 3 potential that could be Jr. or Sr. Recreation
- Senior Recreation – 4 confirmed, 3 potential + any from Jr. that could be Sr.
- Masters – 4 confirmed
- Competitive Age Group 11-12 – 6 confirmed, 2 until End of October
- Competitive Age Group 13-15 – 6 confirmed
- Competitive Extra Routines – 4 duets, 1 solo
