

Dear club,

It has been a nice 'break' from swim club activities over the summer, sort of. With running the summer camp, there was little time for rest. But it sounds as though the summer camp was a huge success.

The feedback from all parties has been positive and glowing, to me, anyways. Special thanks goes to Coach Debbie and the assistants: Marina, Leah, Kim, and Farrah (I hope that I didn't miss anyone!).

We are planning to open registration on September 1. So all marketing can be geared towards that date. Mark is looking to meet with the coaches to finalize class options before opening registration.
