FUNDRAISING REPORT: Jenny

OLD BUSINESS:

- a. Website changes were made and seems to be easier to navigate

NEW BUSINESS:

- a. RDN is asking the club to remind the athletes to shower before entering the pool. An email will be sent out reminding parents.
- b. Oceanside Recreation Services Grant deadline is April 3/26. Julie noted that the grant is only for programs offered over the summer so we have to wait for September.
- c. BCAS is facing funding cuts. The hope is for BCAS to increase the number of participants that are registered in RAMP. Ideas include having a “see it, try it” that includes parents. It was decided that the Spring Watershow would include a “see it try it” for families. The fee and the Ramp registration has been a hurdle in the past so all registrants will have to register ahead of time and pay the fees in RAMP. Details will be decided upon and sent out to parents.
Action: Carol to ask NAC how many people we can have in the pool during our rental.
- d. Call for Club volunteers. Diamonds have found an administrator.
Action: Mark will meet with them to gather details.
- e. Discussion was had surrounding a reward system to incentivize signing up early, nothing decided. A survey to get an idea of who intends to return was also discussed.
