

## Head Coach Report April/26

Time trials are complete and it is so amazing to see the improvements in our swimmers.

Last practice for our AquaGo and Master swimmers will be Thursday Apr 30. Our Sunday AquaGo team will join us to practice their routine before the watershow.

Watershow (May 2) info has been sent out. I have the drinks, paper plates, cutlery and the remaining desserts from our winter social. Awards are ordered and I am finishing off the certificates to give out at our social.

Summer camp... we have decided to not run a camp this summer.

The first draft of the Jean Peters schedule is out. Right now LComp swimmers will have figures and team all on Saturday. Competitive swimmers will have figures and solos on Saturday and team on Sunday. We ask that swimmers watch and cheer on all Ravensong routine events. We are hoping to have a team dinner Saturday night. A more detailed schedule for swimmers will be sent out when BCAS sends it to our coaches.
